

## CODESKILLS 4ROBOTICS

**Promoting coding  
and STEM skills  
through robotics.**  
Supporting primary  
schools to develop  
inclusive digital  
strategies for all.

**Erasmus+**

The European project  
**'CODESKILLS4ROBOTICS'** promotes  
digital literacy, coding as well as STEM skills  
through the teaching of Robotics to Primary  
School pupils. The main aim of the project is to  
support school units in developing digital social  
inclusion strategies for all students.
